Dear Neighbor,

We are in the process of presenting an application to Canyon County Development Services for a conditional use permit for a contractor shop. We have been operating this way for the last 2 years and we are not trying to change our operation.

One of the requirements necessary, prior to submission, is to hold a "Neighborhood Meeting" and provide information to our surrounding neighbors about our application; Canyon County Zoning Ordinance § 07-01-15. This meeting for our surrounding neighbors is only for informational purposes. We would like to receive feedback from you, our neighbors, as we move through the land use application process with the county.

This neighborhood meeting is not a public hearing before a governing body of Canyon County. Once our application has been submitted to the county's Development Services Department, Only then, will a public hearing date be scheduled. Also, only after our application is accepted and a public hearing is scheduled with a confirmed date by the county, will the surrounding neighbors receive an official notification from the county via postal mail. The notice will also appear in a newspaper publication and a sign will be displayed on the parcel notifying the public of a county Planning and Zoning land use hearing for our application.

The Neighborhood Meeting details are as follows:

Date:10/16/2025

Time: 2:00pm

Location:19833 Middleton rd

Property description:Office of Idaho Fire & Flood restoration

The project is summarized below:

Site Location: Parcel #R34314

Proposed access: 2

Total acreage: 2.71

Proposed lots:1

We look forward to our neighborhood meeting and encourage you, as our neighbor, to attend. During our meeting, we will answer any questions you may have. Please note, the county does not currently have any information on our project. Also, please do not call the county regarding this meeting or our application as this meeting is a PRE-APPLICATION requirement; we have not

submitted the application to the county for consideration at this time.

Feel free to contact me at Mason.clinger@gmail.com.

Sincerely,

Mason Clinger

RE: Letter of Intent – Conditional Use Permit Request for Contractor Shop

Dear Planning & Zoning Staff,

We are submitting this Letter of Intent to request a **Conditional Use Permit** for the property located at:

19833 Middleton Road, Caldwell, ID 83605

Our company leases office & contractor shop space to home-service–based contracting business, and we intend to utilize the property in the following manner:

- **Contractor's Office:** We will use the existing residential building on site as an administrative office for our contracting operations. This will primarily include staff performing scheduling, customer communications, and project management.
- **Contractor's Shop:** We will utilize the existing steel building on the property as a contractor's shop. This space will support the storage of equipment, tools, and materials necessary for our work, as well as staging deliveries for field operations.
- **Nature of Use:** The property will serve as a base of operations for our home service contractor business. No retail sales or large-scale manufacturing activities will occur at this site.
- **Business Hours:** Our normal business hours will be **7:00 a.m. to 7:00 p.m., Monday through Saturday**. Access to the shop may occasionally be required outside of these hours for emergency service response on an **on-call basis**.
- **Traffic and Parking:** Employee and service vehicle parking will be contained entirely on the property. We anticipate a modest level of traffic consistent with small contractor operations.
- **Employees:** We will have approx 30 employees working from this parcel. Most of the workforce will be working away from the parcel during the day. Departing and returning to the contractor shop as needed in order to perform their needed responsibilities.

- **Additional impacts:** All storm water, possible irrigation water, will be retained on site. Both the shop and the house have a septic system.
- **Minimizing Neighborhood Impacts:** We are committed to operating in a manner that respects surrounding properties and the community. Noise levels will be limited to normal business activity and will not include heavy industrial operations. Any outdoor lighting will be directed inward to avoid light spillover. Signage, if requested, will be modest, tasteful, and consistent with County standards. All contractor vehicles and equipment will be parked and stored on site to prevent street congestion. *We have been operating in this manner for the past 2 years and have not had any complaints from neighboring owners. I do not see that we will impact any schools, Irrigation facilities traffic patterns, or emergency services.

We believe this proposed use is consistent with the intent of the Canyon County Zoning Ordinance and is an appropriate and responsible use of the property.

Thank you for your consideration of this request. We look forward to working with Canyon County Planning & Zoning to complete the conditional use permit process. Please do not hesitate to contact me if additional information is required.

Sincerely,

Mason Clinger

Notes:

- (diagram is not to scale, just a sketch)
- **Color code:**
 - Blue = State of Idaho easement
 - Red = existing property access
 - Transparent = in place buildings
 - Yellow = proposed construction
- **Home:** can leave in place for now, but will eventually go away
- **Phase 1:** older ~6,000sf shop in place; will keep in place subject to updates
- **Phase 2/3/4:** ~6,000sf each x 3 buildings = ~18,000 sf total (eventually one continuous structure) to be built in phases as market can absorb; each ~6,000sf phase can be split into smaller units (3 x 2000sf 2 x 3,000sf, 4 x 1500sf, etc)
- **Phase 5:** ~6,000 – 8,000 sf depending on distance to Phase 1 shop and being able to back semi-trucks into Phase 1; CANNOT be built on currently as the property septic system is in this area; waiting on city sewer to be connected
